

Issues resolved

1. In some cases, entered NDM quotes were not displayed in the NDM quotes window.
2. Sorting by **Bid** and **Offer** parameters of the **Quotes** table did not work correctly.
3. The maximum available quantity for sale was not calculated in the OMS order entry dialog box. The Price box was mandatory for the calculation.
4. In the OMS order entry dialog box, the maximum quantity (max), collateral for options, as well as the volume were calculated incorrectly.
